

SonicSmile - Duo Pack

Affordable duo pack for cleaner & whiter teeth with sonic technology

For exceptionally cleaner and whiter teeth, use Silk'n SonicSmile. This innovative sonic toothbrush cleans your teeth much better than an ordinary manual toothbrush and is more effective than most other electric brushes on the market. SonicSmile's smart features promote dental health and hygiene. It effectively removes plaque, makes gums healthier and teeth visibly whiter. SonicSmile is now available in a duo pack, which includes an electric toothbrush in white and one in black. While you keep one for yourself, you can give the other one to your partner or give it someone as a gift.

- 1 white and 1 black sonic toothbrush for cleaner and whiter teeth
- Quick results when used for at least 4 minutes a day
- 31,000 vibrating brush strokes per minute
- 5 settings: White, Clean, Polish, Massage and Study
- Smart interval timer
- Can be used for up to 3 weeks on a single charge
- Waterproof (IPX7): suitable for use in the shower and bath
- Charging indicator
- Includes 2 induction chargers with USB plug and 2 USB adapters
