## Immersive Viewing Experience

30 inch with 21:9 ultra wide, 1800R degree curved monitor, delivers an incredibly immersive viewing experience and ideal for gaming or multi-tasks work.

## Impressive Refresh Rate

View fast-moving visuals with incredible clarity and react quicker to in-game situations thanks to an impressively speedy 200Hz refresh rate.

## Stylish Design

3-side board less display stretches from edge to edge for maximum viewing. A refined dark exterior and Y-shaped stand base with wire management, bring a sleek, modern look to your desk.

## Brilliant Picture Quality

The resolution of the monitor is 2560\*1080 WFHD, with incredible high 3000:1 contrast ratio, 99% sRGB color gamut, 16.7 million colors & 300nits brightness.

## AMD FreeSync™ Premium

AMD FreeSync Premium technology equips serious gamers with a fluid, tear-free gameplay experience at peak performance. There are no compromises, game confidently with a high refresh rate, low framerate compensation and low latency.

## Eye Protection

DC dimming technology reduces screen flicker, and the TÜV Rheinland certified Low Blue Light mode can be turned on to filter short-wave blue light.
